WORK EXPERIENCE

HBM ARCHITECTS | 2019 - 2024

Architectural Designer

- Led project design on six new public libraries ranging from 8,000 to 75,000 square feet.
- Developed five Phase 1 feasibility studies with design concepts.
- Led design presentations for client meetings, as part of interview teams, and at local government meetings
- Coordinated work with engineers through all phases of design.
- Designed and ran community engagement sessions for three projects, involving educational presentations and hands-on creation activities.
- Assisted with two library system master planning projects.
- Attended two Library Journal Design Institutes, leading breakout session activities.

DWELL DESIGN STUDIO | May-August 2018

Architectural Intern

- Assisted multifamily project teams with drawing development
- Produced a micro-unit design and development feasibility study
- Translated field measurements of a residential rehabilitation project into a revit model
- Developed add-value options for the exterior of a multi-family property

HBM ARCHITECTS | May-August 2017

Architectural Intern

- Developed a presentation drawing standard to be applied to projects for marketing materials and award submittals.
- Participated in developing design concepts for new projects.
- Assisted with project drawing development in Revit
